- We need a completed Registration Form for your child, before they can come, to enable us to be able to take good care of them.
- Please dress your child in comfortable clothes that you won't mind too much when they come home covered in mud, paint and sweat.
- Payment is in advance. If you need to alter a booking you can do so, change to any other day when we have space, or you can save the credit for a future booking.
- Extra bookings can be added at any time when we are running (subject to space) but must be paid for at time of booking.
- You should tell us about any special requirements, we cater for all children's needs including all diets.
- We provide it all! A cooked healthy (meat free) lunch, together with snacks and drinks. So you don't need to provide anything (but can if you want to).
